

REQUEST FOR QUOTE
STREET DRAINAGE REPAIR

Location: Wilmeth Street, Town of Weber City, Virginia

Objective: The Town of Weber City is requesting a quote for drainage repair work to be completed on Wilmeth Street, Weber City, VA

Scope of Work:

Culvert Replacement – remove existing metal culvert to replace with new 36-inch heavy duty plastic culvert with catch basin and retaining wall. The site will be restored to Town street standards, including asphalt patching.

Mail or deliver quotes to the attention of:

Frank Tittle, Public Works Department
Town of Weber City, VA
2758 U.S. Highway 23N
Weber City, VA 24290

Or Email to: publicworks@webercityva.org

The quote must include:

- ✓ Cover letter or estimate signed by appropriate authorities
- ✓ Scope of work/services to be performed, including methods for ensuring customer satisfaction and service quality
- ✓ Pricing information
- ✓ Evidence of insurance and security for faithful performance
- ✓ IRS Form W-9

If you do not wish to furnish a quote, please kindly reply with a “decline to quote” for our records. Thank you for your consideration for this project, and we look forward to hearing from you by **Wednesday, April 2, 2025**.
